2008 FRM® Study Materials

FRM®
Financial Risk Manager

Financial Risk Manager (FRM®)

The FRM® Certificate is globally recognized as the benchmark for financial risk professionals. The Global Association of Risk Professionals® (GARP®) created the FRM Certificate to identify leading risk professionals who are qualified to make informed decisions based on current, globally accepted industry standards.

Challenging Exam – Start Preparing Early

The FRM Program is a rigorous and demanding certification process that requires a high commitment to preparation. We believe that candidates need to spend a minimum of 250 hours reviewing the curriculum and taking practice exams to properly prepare for this exam. It is imperative to start preparing as early as possible and to develop a consistent and diligent study plan that will carry you through to exam day.

Effective FRM® Study Solutions

Schweser Study Solutions provide effective, high-quality Study Tools and Instruction—the essential complement to the GARP assigned readings—for candidates' use in preparing for the 2008 FRM Exam. Each year, Schweser's expert faculty updates our study materials to reflect the changes in the curriculum while incorporating our proven **LEARN • PRACTICE • RETAIN™** approach to exam preparation.
