CPA Exam Review

KAPLAN CPA REVIEW

What Makes Kaplan Better?

24 Months of Online Access

Other review providers allow you online access for a year or even less. Kaplan's online resources are available for 24 months, ensuring your ability to study throughout your 18-month testing period.

Convenient Instructor Access

Kaplan's team of instructors and content experts are available when you need additional support. No matter which course you choose, your purchase includes unmatched access to your instructors, allowing you to get the answers you need and keep moving forward to success on exam day.

Fair and Affordable Pricing

Don't be intimidated into paying \$3,000 for CPA review. Compare our product to theirs. Then join the long list of Kaplan customers who have passed the CPA Exam with our comprehensive and affordable course.

Pass the 2011 CPA Exam—The First Time!

The CPA license is arguably the most recognizable professional designation in the world. CPAs are looked to as leaders in accounting, and in the global business community as a whole. The time and money you invest in earning your CPA will pay dividends throughout your career.

Kaplan CPA Review is your partner in passing the CPA Exam. The 2011 Kaplan courses contain the most updated material, and will fully prepare you for current CPA Exam curriculum. Our instructors provide unmatched support to help you develop the skills and confidence you need to be successful on the CPA Exam.

"Without Kaplan's help it would have been very difficult for me to sail through the exams. Kaplan CPA Review is an excellent resource for aspiring CPAs, and I would recommend them to anyone planning to charter the CPA course."

– Biswajit Mishra, Senior Associate, PricewaterhouseCoopers LLP

Product Spotlight

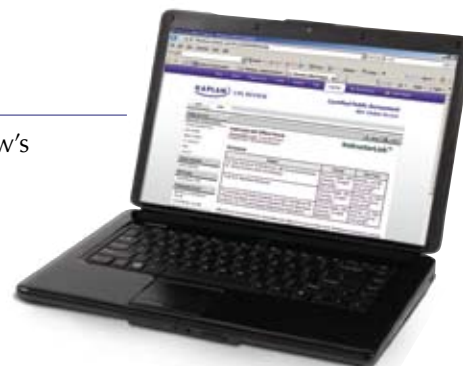

Study Manual

Uses theoretical and practical examples and multiple-choice questions to help you understand critical concepts.

InstructorLink™

A virtual open door to the instructors and content experts behind Kaplan CPA Review's courses and materials. InstructorLink™ includes:

- **Instructor Email Access**—Get the answers you need directly from the course instructor
- **Exam-Tips Blog**—Insider hints and tips to help you earn those few extra points
- **Instructor-led Office Hours**—Weekly time set aside for online chat with your instructor
- **Searchable FAQs**—Database of searchable answers to content questions from other candidates
- **Video Library**—Innovative series of short videos to supplement online course sessions

MP3 Audio Review and Flashcards

Perfect solutions for making the most of your day while preparing for the CPA Exam.

Kaplan MP3 Audio Review and Flashcards turn idle time into study time. Listen to the MP3s at the gym or in your car. Go through flashcards during your lunch break or anytime you have a few minutes to burn throughout the day.

Interactive Study Calendar

Your roadmap to passing the CPA Exam. Simply enter the window of time in which you have to prepare for the exam and any weekly days off, and this program will automatically generate a study calendar tailored to your schedule.

CPA Pro QBank

The most effective strategy for improving your familiarity with key concepts. The QBank is filled with thousands of practice questions and simulations. Target your trouble areas by building personalized exams based on difficulty, length, and topic.
